

Directions to Teesside Power Station

By Air: Teesside International Airport is within easy reach of the site (approx 30 minutes by car or taxi). There are regular scheduled flights to all parts of the UK and Europe.

By Rail: Darlington Station provides main line rail links. It is 30 minutes by car or taxi away from site.

By Road: Teesside Power Station is situated in North East of England close to the River Tees. There are major trunk road links nearby and so it is easily accessible from most parts of the country.

From the A1(M) Northbound: Leave the motorway at Junction 49 4 miles north of Boroughbridge and join the A168 (signposted Thirsk). Continue for 6 miles, bypassing Thirsk. The road changes to become the A19.

Continue on the A19 for a further 20 miles to the intersection with the A174. Leave the A19 and join the A174 (sign posted Eston, Redcar). At the large roundabout after approximately 7 miles, take the second exit left, onto the A1053 Greystone Road.

Continue for 1 mile to the next roundabout and take the fifth exit back onto the A1053 in the opposite direction. The entrance road to Teesside Power Station is on the left in half a mile.

From the A1(M) Southbound: Leave the motorway at Junction 59 and join the A167 southwards (signposted Darlington). Continue for approximately 3 miles. At the roundabout take the first exit onto the A1150.

Travel straight across the next two roundabouts to join the A66 (Signposted Stockton-on-Tees, Middlesbrough). Continue along the A66 for approximately 18 miles, to its end at the junction with the A1053.

At the roundabout take the second exit right, onto the A1053 Tees Dock Road. Continue to the next roundabout and take the third exit onto the A1053. The entrance road to Teesside Power Station is on the left in half a mile.

On Arrival: Visitors are requested to park in the visitors car park and report immediately to Security Gatehouse.
